Utah Gears for Cleanup Drive

Mon 17 Feb 1986
HEBER CITY — The government will have to sink more money into highway budgets to repair roads like this one damaged by raging floods. Three more counties were declared state disaster areas Thursday. (See stories on B-1.)

of events similar to what happened here. We hear the same excuses made for the communists, while the people of Nicaragua see their freedom slowly but surely eaten away."

seized power six days earlier. Reagan described it as a rescue mission for about 600 American students at St. George's University Medical School campus.

smoke."

The 30-second spot, taken from an ABC interview in January 1985, debuted this week. "This is the most powerful indictment of smoking that we've ever produced," said Susan Islam of the American Cancer Society.
